

How to get a quote for the project that you need estimating.

Please send us the following information to info@estimating-service.co.uk

- Scaled drawings in PDF format.
- All specification, schedule of works, bill of quantities, NBS documents where applicable.
- Any site photos that you have.
- Any additional notes that you want us to take into consideration.
- The date when you need the completed estimate returned to you.

We aim to provide you with a quote within 1 working day. This timespan may increase during busy periods.
